

Enjoy a clearer Vision in Dubai

Dubai – one of the highest growing markets in the world – offers you a unique Vision of your business, transformed into reality by Dubai Properties, a leading master developer. With a commitment to continuous growth and success, Dubai Properties is proud to introduce Vision Tower, an elegant building that will grace the gates of Business Bay – the region's business capital. Offering 500,000 square feet of luxurious commercial office spaces, Vision Tower will open its doors for business in the first quarter of 2009. With a bent glass façade stretching 60 stories high, this luminous beacon results in a striking piece of architecture that is as bold as the businesses that will occupy it.
