

Sorry.
No McDonalds.

Discover the unimaginable with the latest extravagance in Asia: The Beach House at Manafaru Maldives.

Set in a privileged location that guarantees exclusiveness and privacy, The Beach House will let you rediscover the uniqueness of Maldives at the country's most northern tip. The resort boasts 68 modern and tastefully appointed villas and suites, all with private pool, personal butler, customizable in-villa bar and the latest technological gadgets. Three restaurants serving mouthwatering cuisine from all corners of the world, four bars, a signature Spa and countless recreational facilities will let you dive into a haven of tranquility and indulgence.

The Beach House at Manafaru Maldives – a magnificent combination of an inspiring setting with traditional Maldivian hospitality, catering solely for the discerning few that seek the ultimate in privacy and service.

A world of possibilities, only one unique choice! Opening November 2007.
